Requirement for this application

- (1) The original FCC ID: CVT604216
- (2) The date of the original grant: April 9, 1998
- (3) Difference from the original equipment: Changed FCC ID label and model name as attached photographs
- (4) Since the equipment bearing the changed FCC ID is electrically identical, the data previously filed with the commission continues to be representative of and applicable to the equipment.
- (5) The photographs are attached.
