Subject:	Certification for Part 18 Consumer RF Lighting Device

Dear Mrs. Green:

This is in response to your Correspondence Number 9745 dated September 22, 1999 regarding the filed electronic form with selected Fee Type Code EGC and not EAC.

Please be advised the subject application is an original application for Certification under FCC Part 18 for Consumer RF Lighting Device under Equipment Code 8CC. As such, it is my understanding the correct Fee Type Code is EGC with fee amount $940 and not Fee Type Code EAC with fee amount $45. In accordance with past instructions, I mailed the hard copy of FCC Form 159 and FCC fee check number 584827 in the amount of $940 to Mellon Bank for processing.

Please advise if my above understanding should be incorrect. Thank you for your attention in this matter.

Sincerely yours,

Richard Mullen
