Letter of Requesting the Change of Exhibit

August 23, 2007

Federal Communication Commission
Equipment Authorization Division
Application Processing Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

FCC ID: ACJ932CQ-EX0772

To Whom It May Concern:

With regards to PCB assy with Bluetooth for car audio, Model: YEP0PT9919A0, which was already granted by FCC as FCC ID: ACJ932CQ-EX0772, we, Matsushita Electric Industrial Co., Ltd., would like to request to change the following exhibit:

- Label Drawing & Location

The reason for this request is because the label drawing originally submitted was incorrect, and we would like the exhibit to be replaced with the correct one.

Thank you for your attention to this matter.

Sincerely,

Junichi Sakai
Staff Engineer
