To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Sections 0.457 and 0.459. We request permanent confidentiality for the following materials submitted with the accompanying application:

- Block Diagram
- Schematics
- Theory of Operation

The above materials contain trade secrets and proprietary information not customarily released to the general public. Since this design is a basis from which future technological products will evolve, the public disclosure of these materials can be harmful to the Applicant by providing unfair advantage and benefits to its competitors.

Thank you for your attention to this matter.

Sincerely,

*Richard Mullen*
