

Letter of Compliance (Ref: 94564/8)

On behalf of Panasonic Communications Co., Ltd, Nemko Comlab has performed EMC testing of the Panasonic KX-T0155 according to FCC CFR 47 Part 15D and ANSI C63.17-2006 for UPCS equipment.

The Panasonic KX-T0155 is in compliance with FCC CFR 47 Part 15D and ANSI C63.17-2006 for UPCS equipment.

As stated by the manufacturer the radio modules and access software of the Panasonic KX-T0158 is identical to the tested KX-T0155, therefore the KX-T0158 is also in compliance with the UPCS Access Requirements of FCC CFR47 Part 15D and ANSI C63.17-2006.

The letter of compliance is based on Nemko Comlab report no. 94564-6 dated 18 January 2008.
