Re: FCC ID ACJ96NKX-TC1743
Applicant: Matsushita Electric Industrial Co Ltd
Correspondence Reference Number: 18628

731 Confirmation Number: EA100257

Dear Katie

This is in response to your email message

"Please upload the internal photographs to the internal photograph exhibit and the set-up photographs to the set-up photograph exhibit. It is noted that although these photos were submitted they were under different exhibits. Also, please provide an operational description."

- 1- As per your request I uploaded
 - A- Internal photograph for base and handset.
 - B- Set-up photographs for base and handset.
 - C- Operational description.
- 2- You did not send to me any comment or question about Correspondence number 18477. I will consider that you Agree with my answer and you have no outstanding issues About occupied bandwidth plots.

Best regards,
Zameel Shahat
