This is in response to your June 8, 2004 comments regarding the GPRS portion of this application.

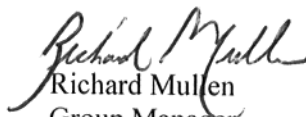

Today I uploaded copy of Siemens GPRS Test Report for FCC ID: QIPMC46, which contains the requested conducted spurious emission plots. This is identical to the GPRS used within the subject end product.

Today I uploaded copy of Siemens GPRS Test Report for FCC ID: QIPMC46, which contains the requested occupied bandwidth plots. This is identical to the GPRS used within the subject end product.

Today I uploaded amended FCC cover letter with request for confidentiality, which includes reference to details block diagram(s).

I trust this answer all outstanding comments. Thank you for your co-operation in this matter.

Sincerely yours,

Richard Mullen
