The filing fee must be submitted before processing can continue on the above referenced application. Failure to comply with this request within 30 days of today's notice, may result in application dismissal pursuant to our Public Notice DA00-661, dated March 24, 2000. If, however, you have paid the filing fee, please clarify.

Panasonic answer dated November 10, 2006:

The subject applications were electronically filed into FCC web site on November 6, 2006. On that same day the FCC Remittance Advise Form 159 was electronically generated and forwarded to Panasonic's accounting department for their processing and payment, which is in accordance with our accounting procedures. It is reasonable to expect issuance and mailing of FCC fee checks within five business days. As such, the above referenced checks will be mailed within next week via UPS carrier to FCC Module Supervision, c/o Mellon Bank in Pittsburgh, PA. In the future, it is suggested to save you time, that you wait at least ten days before notification of missing FCC fee check.
