The filing fee must be submitted before processing can continue on the above referenced application. Failure to comply with this request within 30 days of today's notice, may result in application dismissal pursuant to our Public Notice DA00-661, dated March 24, 2000. If, however, you have paid the filing fee, please clarify.

Panasonic answer issued April 18, 2007:

The subject four applications were electronically filed with FCC on April 9<sup>th</sup> and the four associated FCC Form 159 and FCC fee checks were delivered to your Mellon Bank on April 13<sup>th</sup>, which in only four days after our initial filing. Please advise if you need any copy of our UPS tracking record for your review and/or reference. In the future, I once again suggest to save you time, that you wait at least ten days before notification of missing FCC fee check as it take a few days to process checks and make delivery.
