Attn.: Errol Chang,

Your comments received on 01//29/01 under correspondence reference number 17844 were also separately received on 01/25/01 by email from your Kwok Chan. On 01/25/01 we electronically filed response letter PCPD-00-F004D and he answered with additional comments by email on 01/25/01. On 01/26/01 we electronically filed response letter PCPD-00-F004E, which now requires FCC confirmation if our proposed label or user manual wording is acceptable.

Please review our past two filed response letters and advise if our proposed label and user manual marking is acceptable before we take any further actions. Also, please advise if you have any other outstanding questions or comments we may have overlooked. Thank you for your attention in this matter.

Sincerely yours,

Richard Mullen,
Group Manager
