This is in response to your request for additional information.

Question: Is the statement required by Section 15.19 on the EUT? I cannot tell from the photo in the label exhibit- please verify.

Answer: We believe the enclosure of Handheld Model CF-U11 is too small to contain various markings for various safety and regulatory compliance related matters. Therefore, in accordance with Section 15.19(a)(5), we would like to place Section 15.19(a)(3) marking within the Operation Instructions along with other required warning and FCC Part 15B DoC markings. The product label will contain the following format:

We trust this answers your question. Please advise if you have any other questions or comments.
