Subject: Follow-up information

In regards to your recent TCB application referenced above, we kindly request that you provide the following additional information.

1. On p.2/3 of the Antenna Photos, the caption at the top states that it is the WLAN Main antenna, but the photo below shows this as the WLAN Main Rx antenna. Please clarify.
BOTROS: [Please see attached revised photos.](#)

2. Please provide a photo showing the label with the 15.19 statement and its location (it can, perhaps, be seen in the current label location photo, but it is unclear).
BOTROS: [Please see attached revised label,](#)

2. Please provide external photos showing all sides of the EUT.
BOTROS: [Please see attached photos.](#)

3. The user's manual states that the maximum permitted gains for external antennae are

provided in “individual provided supplement instructions for wireless transmitters”- please submit this.

BOTROS: Please see attached Supplement instructions specifying the maximum permitted gains for external antennae.

4. Please submit the usual Cover Letter.

BOTROS: Please see attached cover letter.

The items indicated above must be submitted before processing can continue on the above referenced application.

Sincerely,

Gregory Czumak
