Re: Class II Permissive Change for Limited Single Modular Approval for
Panasonic RFID Module, Model RI15A under FCC ID: ACJ9TGRI15A
For Use within Panasonic Personal Computer Model CF-20

To whom it may concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as **permanent** confidential document from public disclosure.

- Theory of Operation
- Schematics

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In addition, please be advised that Panasonic Corporation of North America hereby requests the following filed sensitive information to be held under **short-term** confidential, pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's Rules and the provisions in FCC Public DA 04-1705. We request temporarily confidentiality of forty-five days, starting from the original issued Certification grant date.

- Operating Instructions (Users Manual)
- Test Setup Photographs
- External and Internal Photographs

Panasonic also acknowledges that we will provide appropriate notice to ULVS should either of the following occur.

- If we require additional 45 day extension period, we will notify ULVS with a new request letter at least seven days prior to the short-term confidentiality expiration date [Note: up to a maximum of 3 extensions only allowed], or
- We will immediately notify ULVS in the event the information regarding the product or the product is made available to the public. ULVS will then release the documents listed above for public disclosure, pursuant to FCC Public Notice DA 04-1705.

Thank you for your attention to this matter.
