Re: Change In Identification Application

From: Intel Multi-Band Radio Module, Model 7260NGW under FCC ID: PD97260NG

To: Panasonic Multi-Band Radio Module, Model WL13A under FCC ID: ACJ9TGWL13A

To whom it may concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as **short-term** confidential document from public disclosure, starting from the original issued Certification grant date.

- External Photographs of WLAN Module

Panasonic also acknowledges that we will provide appropriate notice to Compliance Certification Services should either of the following occur.

- If we require additional 45 day extension period, we will notify Compliance Certification Services with a new request letter at least seven days prior to the short-term confidentiality expiration date [Note: up to a maximum of 3 extensions only allowed], or
- We will immediately notify Compliance Certification Services in the event the information regarding the product or the product is made available to the public. Compliance Certification Services will them release the documents listed above for public disclosure, pursuant to FCC Public Notice DA 04-1705.

Sincerely your,

Richard Mullen
