

FCC Label and location
for
Panasonic Module
Model WL15B
(FCC ID: ACJ9TGWL15B)

The size of Panasonic module model WL15B is 16mm x 12mm (Refer to Figure 1 and Appendix A). It is too small size. And the label text size of 4pt font is the largest.

Figure 1: The size of WL15B

It is written as "If the device is unquestionably too small for the FCC ID to be readable (smaller than 4-6points), the FCC ID may be placed in the user manual" per KDB 784748.

Therefore, the module model WL15B is considered to meet in the above criteria. The FCC ID of the module model WL15B will be shown in the user manual as the following figure.

Model : WL15B
FCC ID : ACJ9TGWL15B
IC : 216A-CFWL15B

In addition, the module model WL15B is never marketed stand-alone in US. The module model WL15B will be always mounted in a Panasonic Host PC before marketing in US. The "Contains FCCID: ACT9TGWL15B" will be displayed in the label of a Panasonic Host PC. Also the following module information will be displayed in the user manual of the Panasonic Host PC together with FCC regulatory compliance statement including RF Exposure statement.

This PC contains:

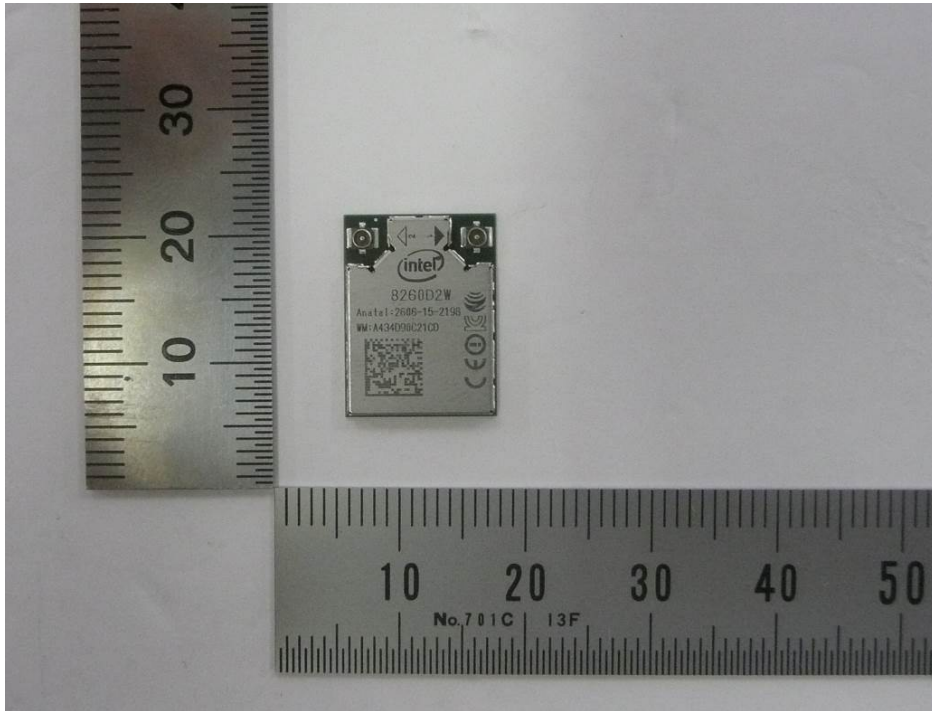

Model : WL15B

FCC ID : ACJ9TGWL15B
