RE: ADV0715

REQUEST FOR CONFIDENTIALITY

Some of the materials included in this data pack contain trade secrets and proprietary information not customarily released to the public. Because public disclosure of the material might be harmful to the applicant and provide unjustified benefits to its competitors, it is requested that the following be withheld from public disclosure:

- Block Diagram
- Schematic Diagram
- Technical Description explaining the operation of the device
- Internal Photographs

Trade Secrets and proprietary information can be held confidential. Therefore we wish to invoke the act under the provisions of section 0.457(d).

Sincerely,

Kiyoshi Wakui
Manager of the Engineering & Development Division
