Date: February 10, 2025

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046 USA

Subject: Attestation Statements
Applicant: Icom Inc
Product: UHF HH transceiver
Model: IC-F4400D
FCC ID: AFJ376701

Our Class 2 permit change is intended to integrate the optional internal Bluetooth module AFJ381510.
This module is integrated consistently with the grant notes and the manufacturer's integration guide should be included.

Sincerely,

Icom Inc

A handwritten signature in black ink that reads "T. Yano". The signature is written in a cursive, flowing style.

Tatsuo Yano
General Manager of Quality Assurance Department
