Re: IC: 1084A-24160

To Whom It May Concern:

Ritron, Inc. (Ritron) is formally submitting its RPM-160 radio transceiver for Industry Canada certification. This product is a VHF Land Mobile Radio designed to operate on either 12.5 kHz or 25 kHz channel bandwidths in the band from 148-174 MHz. The unit is designed to operate at 13.7 VDC nominal as supplied from an automobile.

The feature set and general performance are given in the User Manual, which is supplied as a separate exhibit.

Regards,

A handwritten signature in black ink that reads "Kevin G. Matson". The signature is written in a cursive, flowing style with a horizontal line extending from the end of the name.

Kevin G. Matson
Senior Project Engineer
RITRON, Inc.
