

Family Certification Attestation Letter

11/22/2023

Nemko North America, Inc.
303 River Road
Ottawa
K1V 1H2
Canada

ATTN.: Reviewing Engineer

FCC ID: AJDK124
Models: DMH-W3050NEX, DMH-W3000NEX

We hereby request Family Certification for the above mentioned Models based on them being basic electrically identical.

Compared with DMH-W3050NEX, DMH-W3000NEX has no HD Radio/iDataLink, other schematic, structure, antenna type(s) and antenna location are the same, including the RF part. These differences don't affect the RF performance, therefore the test performed on the model DMH-W3050NEX. All models are tested for radiated emission (below 1 GHz).

Model	Description	Note
DMH-W3050NEX	Include HD Radio/iDataLink function	Due to confidentiality, please refer to page 7 of the circuit diagram and page 1 & page 3 of the internal photos.
DMH-W3000NEX	No HD Radio/iDataLink function	Due to confidentiality, please refer to page 7 of the circuit diagram and page 1 & page 2 of the internal photos.
