Re.: Letter of Explanation for Model GMR2875 and GMR2872

FCC Identifier: AMWUT042

To Whom It May Concern:

The only differences in between the model GMR2875 and GMR2872 are

the color – GMR2875 is in camouflage paint vs. GMR2872 is in the plain yellow color, and  
the vibrate alert function is standard on GMR2875 and GMR2872 comes without this feature.

GMR2875

GMR2872

Please contact the undersigned if you have any questions or need any further information regarding this matter.
