We hereby request for the user manual exhibit originally submitted with this application to be superseded with the attached revised user manual. The originally submitted user manual inadvertently contains a text box placed over diagrams and text on page 1. Please refer to the revised user manual with text box removed and replace the original user manual submitted.

If you have any questions or comments concerning the above, please contact the undersigned.

Thank you.

Sincerely,

Jonathan Hughes
Project Manager
Celltech Labs Inc.
