Subject: Application of Class II Permissive Change for Microwave Oven

Application Type : Certification (Class II permissive change)
FCC ID : APYDMR0146
Model No. : KB-6024
Applicant : Sharp Corporation
Manufacturer : Sharp Manufacturing Company of America

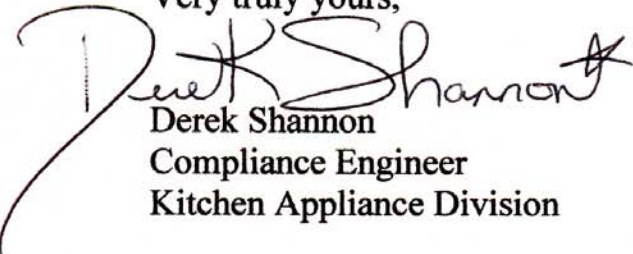

We would like to make a Class II permissive change application of FCC certification for our microwave oven classified under FCC ID: APYDMR0146.

In our microwave oven covered under APYDMR0146 we would like to use an alternate magnetron cat no. 2M240H(L) manufactured by Toshiba. For this alternate, we submit here with the application material for the Class II permissive change application under the Certification program. Enclosed are the application materials listed as follows:

1. FCC Form 731
2. Measurement report for magnetron 2M240H(L) tested by CSA International including Test Setup photos.

If you have any questions or need additional information on this application, please feel free to contact Mr. Steve Petruska of Sharp Electronics Corporation as a representative or myself.

Very truly yours,

Derek Shannon
