Subject : Application of Class II Permissive Change for Microwave Oven

Application Type : Certification (Class II permissive change)  
FCC ID Code : APYDMR0170  
Model No. : FPMV189K (Brand: Electrolux)  
Applicant : Sharp Corporation  
Manufacturer : Sharp Appliances (Thailand) Ltd.

Gentleman:

We would like to make a Class II permissive change application of FCC Certification for our microwave oven classified under FCC ID code: APYDMR0170.

In our microwave oven covered under APYDMR0170, we are going to introduce the minor change model which is revised the construction of control unit location from the door assembly to the side control panel. The oven construction except for the control unit PWB assembly location are identical to the original models. For these minor change models, we submit herewith the application material for Class II permissive change application under the Certification program with test data. Enclosed are the application material listed as follows:

1. FCC Form 731
2. Measurement Report for magnetron 2M240J(L) tested by JQA
3. Test Setup Photo
4. Photographs of Equipment shows front view of appliance and inside PWB assemblies

If you have any questions or need any additional information on this application, please feel free to contact Mr. Steve Petruska of Sharp Electronics Corporation as our representative in the United State.

Very truly yours,
