Re: Sharp Corporation  
FCC ID: APYHRO00054  
Confirmation Number: TC724652  
Grant Date: 1/11/2007

Dear Examiner,

We were notified by the grantee on 1/22/2007, "Regarding the files that were uploaded onto the FCC website for APYHRO00055 and APYHRO00054, we found that the EUT Photos in SAR report are available (Attachment 6). These photos are supposed to be kept confidential! Please remove the SAR photos from the FCC website ASAP."

Since "SAR\_TestReport\_Attachment 6" was uploaded as RF exposure exhibit, it can not be modified to be kept short-term confidential. The file was reloaded as Test Setup Photos exhibit yesterday and is being kept short-term confidential. Please kindly supersede

RF exposure exhibit – "SAR\_TestReport\_Attachment 6"

Thank you for your approval.

Best Regards,
