

EXHIBIT 8**Section 2.1033 (c)(12) PHOTOGRAPHS OF THE EQUIPMENT**

Photographs (8 x 10) of the equipment of sufficient clarity to reveal equipment construction and layout, including meters, if any, and labels for controls and meters and sufficient views of the internal construction to define component placement and chassis assembly. Insofar as these requirements are met by photographs or drawings contained in instruction manuals supplied with the certification request, additional photographs are necessary only to complete the required showing.

Response

The following pages contain the required photographs of the AS5ONEBTS-08 MCR850 transceiver, subject of this application, showing the board layout and component placement. The attached photos include:

- 1) Front View of MCR850,
- 2) Rear View of MCR850,
- 3) Circuit Board Component Side View of MCR850,
- 4) Circuit Board Wiring Side View of MCR850,
- 5) Front View of Lucent Technologies Flexent® OneBTS® shelf with MCR850.
