

Exhibit 5.1**Section 2.1033 (c)(12) – External Photographs**

Photographs (8"x10") of the equipment of sufficient clarity to reveal equipment construction and layout, including, if any, labels for controls and meters and sufficient views of internal construction to define component placement and chassis assembly. Insofar as these requirements are met by photographs or drawings contained in the instruction manuals supplied with the product certification request, additional photographs are necessary only to complete the required showing.
