To Whom It May Concern:

ZOLL Lifecor Corp. is acting on behalf of Multi Tech Systems Inc. in submitting a Class II Permissive Change application to permit the collocation of FCC ID: AU792U05E06800 with FCC ID: POOWML-C40 in the charger of the ZOLL Lifecor Corp. LifeVest system. No changes or modifications have been made to the radios or their antennas.

The LifeVest system is comprised of the following items:

- **Monitor** that is patient worn and contains a low power Bluetooth module (FCC ID: POOWML-C40). This configuration requires no additional FCC authorization.
- **Charger** that is used 20cm or greater from the user or nearby persons that contains a low power Bluetooth module (FCC ID: POOWML-C40) and a cellular data modem (FCC ID: AU792U05E06800). This collocated configuration is the subject of this C2PC application
- **Garment and electrode belt** that is body worn and connects to the monitor that is worn separately in a holster.
- **Holster** that carries the monitor in a body worn configuration.

Sincerely,
