## Attestation Statements

**To: Federal Communications Commission**

**Date: Jul. 18, 25**

**7435 Oakland Mills Road,**

**Columbia, MD 21046, USA**

**Subject: Attestation of Compliance with FCC Covered List Software Requirements**

**FCC ID:** AUSCR7503A

**Product Name:** Record Player With Speakers

This letter serves as an attestation that the equipment identified above **is not** (select one) "covered" software as defined under the Federal Communications Commission (FCC) Covered List requirements, as outlined in **FCC 22-84** and **KDB 986446**.

Specifically, the undersigned certifies that the equipment for which authorization is sought:

1. **Does not contain** cybersecurity or anti-virus software produced or provided by **Kaspersky Lab, Inc.** or any of its successors, assignees, parents, subsidiaries, affiliates, or any entity that has rebranded or relabeled software produced by the aforementioned entities.
2. **Does not have the capability** to store, run, or deliver any software identified on the FCC Covered List, including but not limited to cybersecurity and anti-virus software.

To support this attestation, the appendix evaluation documentation has been prepared and is included in the certification filing.

This attestation is based on a thorough evaluation of the device's design, functionality, and software environment. The undersigned affirms that the information provided is accurate and complete to the best of their knowledge.

Sincerely yours,

---
