

## **EXHIBIT 2**

### **Attestation and Product Family Declaration**

(Pursuant to FCC Part 2.907, and 2.908)

#### 2.1 **Statement of Certification**

Transceiver type described herein (AZ489FT3858) is in compliance with all applicable parts of the FCC rules.

Each unit manufactured, imported, or marketed will conform to the samples tested herein, within the statistical variations that can be expected due to high volume production and test measurement error.
