7435 Oakland Mills Road
Columbia, MD 21046

Sub: APPLICATION FOR CERTIFICATION OF TRANSMITTER FCC ID: AZ489FT5793.

Gentlemen:

We are correcting the RF Power Output range from 2.4 milliWatt --- 0.6 Watt to **0.24 milliWatt—0.6 Watt.**

We have submitted amended Exhibits 6a, 12 and 13. Discard amended Exhibit 13 and replace with the correct amended Exhibit 13, which shows the 0.24 milliWatt.

Also, please correct FCC Form 731, item 12, Rated RF Power output in Watts, to read **0.00024 Watt** instead of 0.0024 Watt.

We apologize for any inconvenience this may cause. Thanking you in advance.

Yours truly,

Mike Ramnath
FCC Liaison
