Mr. Frank Coperich
Authorization & Evaluation Division
Federal Communications Commission Laboratory
7435 Oakland Mills Road
Columbia, MD 21046

Dear Mr. Coperich;

Motorola Inc., 8000 West Sunrise Boulevard, Fort Lauderdale, Florida 33322, herein submits its application for Certification of the subject transmitter.

This data only mobile transceiver uses nearly identical circuitry and software utilized in a previously certified i1000plus hand-held portable transceiver with FCC ID: AZ489FT5793. The circuitry has been repackaged into a module which is then installed in a housing intended for Vehicular installations.

The Power is variable from 0.0024 Watt to 0.7 Watt, which is 0.3% of the value listed.

Enclosed is a complete Certification Application comprised of 13 Exhibits. Contact me at (954) 723-5793 if you require any additional information.

Regards,

Mike Ramnath
FCC Liaison
