Dear Mr. Perrine;

Motorola Inc., 8000 West Sunrise Boulevard, Fort Lauderdale, Florida 33322, herein submits its response to Correspondence 9912, 9913, 9756 and 9757 dated 27th October and 3rd November 2003 for information on FCC ID: AZ489FT5815 with Confirmation Number TC363998.

Q1) Please provide photographs and descriptive information of intended/expected usage position(s). How will lap-held use be prevented?

R1) See the attached photos and the attached Users Manual showing the intended use positions. Due to size and ergonomics of the mini-keyboard it is impractical for this device to be utilized while placed on the lap of a user.

Please contact me at (954) 723-5793 if you require any additional information.

Sincerely,
/s/Mike Ramnath (signed)
