Gentlemen:

On behalf of Motorola, Inc., we request Certification for the above referenced Intentional Radiator under Part 15. The PowerPad Model: F4420A and identical Model: F4425 are ruggedized Portable Digital Assistant which contain a New Bluetooth Intentional Radiator, not previously approved under Part 15.247. We have submitted the appropriate test data for this Intentional Radiator, for the six required items including exhibits for SAR, EIRP & spurious emissions. We have also referenced the twelve items which are common to all Bluetooth devices and included the list, verbatim, provided by the Mr. Joe Dichoso. The two models are "identical" as defined by Part 2.908, with cosmetic appearance changes only.

Thank you for your time and consideration of this application. Please contact the undersigned for a prompt response should you require any additional information concerning this request for Certification.

Sincerely,
