Columbia, MD 21046

Subject: Application for Certification of Transmitter with FCC ID: AZ489FT7036.

Dear Sir or Madam:

Motorola Inc, 8000 West Sunrise Boulevard, Fort Lauderdale, Florida, herein submits application for Certification of the subject transmitter.

This transmitter is intended for use in a Portable Radio environment with capabilities for clear and coded communications with a variable transmit power operating within the following frequency ranges: 136 -174 MHz and 764 – 870 MHz.

This is a VHF, 700 and 800 MHz portable two-way radio that operates using APCO 25(C4FM) digital voice frequency modulation (FM) as well as TDMA incorporating traditional simplex transmission protocol (50% Duty Cycle) and will be marketed to and used by employees for occupational operations, such as public safety agencies, e.g. police, fire and emergency medical.

Please note that this radio has been tested and has complied with FCC Rule Part B and Part 2.1077, Declaration of Conformity.

The subject transmitter complies with Section 90.203 of the Rules in that the operator cannot directly program transmit frequencies using the unit's normally accessible external controls.

A complete application for certification is enclosed. Please contact Mike Ramnath at (954) 723-5793 if you require any additional information.

Sincerely,
/s/ Mike Ramnath (signed)
Manager, Regulatory Compliance
