**Supersede Request Letter**

June 28, 2017

To: FCC

From: Motorola Solutions, Inc.

RE: Applicant: Motorola Solutions, Inc., FCC ID: AZ489FT7101, Request for supersede of label exhibit

Per custom's request, there is an error on the label exhibit. Therefore, we are asking to kindly replace label information with revised copy.

Can you please place the FCC ID into audit mode for TCB?

Thank you,

---
