**EVOLVE**

Model: HK2136A

FCC ID: AZ489FT7134

MADE IN CHINA

**FCC Regulatory Compliance**

Restricted to occupational use  
to satisfy FCC RF exposure  
limits. See user manual for  
operating requirements.

**Federal Communication Commission  
Interference Statement**

This device complies with part 15 of the FCC  
Rules. Operation is subject to the following  
three conditions:

- (1) This device may not cause harmful  
interference.
- (2) This device must accept any interference  
received, including interference that may  
cause undesired operation.
- (3) Any changes or modifications not  
expressly approved by Motorola Solutions  
may void the user's authority to operate  
this device.

26.5

**Accessing Regulatory Label**

**Procedure:**

Swipe up the home screen, tap  **Settings** → **About Device** → **Regulatory Label**.

**User manual (Section: Accessing Regulatory Label)**

*No any special accessories, access codes, or SIM card are required to go through the above steps.*

**A. Devices have physical labels at point of marketing/sale visible to the purchaser (or in the alternative, on the packaging), and at time of importation?**

*At the time of importation, marketing, and sale, the device will have the required physical label on the packaging, which will include the device's FCC ID.*

**B. Electronic labeling information is programmed into the device by the manufacturer at the time of manufacture.**

*Yes.*

**C. Electronic labeling information not modifiable by any third party.**

*The e-label of the device is programmed by the grantee and secured in such a manner that it cannot be modified by third parties.*

**D. All the applicable regulatory information required on the packaging or user instructions is provided according to the rules.**

*Applicable regulatory information not found in the e-label is contained in the user manual.*
