We are requesting Certification under Part 22, 74, 80, 90 and 90.210 of the Commission's Rules to allow operation of this equipment in 136-174 MHz and Part 22, 74, 90 and 90.210 of the Commission's Rules to allow operation of this equipment in UHF Range 2 bands.

The subject transmitter complies with Section 90.203 of the Rules in that the operator cannot directly program transmit frequencies using the unit's normally accessible external controls.

A complete Certification application is enclosed. If you require any additional information, please contact me at (954) 723-5793.
