Date: March 14, 2013

Federal Communications Commission
Authorization and Evaluation Division
7345 Oakland Mills Road
Columbia, MD 21046

SUBJECT: CIIPC Declaration for FCC ID: **B32MX925CTL**S

We, **VeriFone Inc**, hereby declare that we are only and fully responsible for this CIIPC application of FCC ID: **B32MX925CTL**S, originally granted on **Jun. 04, 2012**. Now we would like to add a new I/O Module, Model Name: MX900-03. The major difference to the original I/O module (MX900-01) is minor layout change with different I/O ports (With PWR, AUD, ETH, USB HOST, COM2 Port, COM1 Port).

Except for the changes mentioned above, no other modification is performed. Also, the change does not have any impact on the approved radio parameter such as power, frequency range, modulation etc.

Should you have any question, please contact me directly.

Sincerely,

Jim Brodie
