To Whom It May Concern,

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this Application as outlined below:

- Schematic Diagram
- Block Diagram
- Parts List
- Operational Description
- Operational Description (Antenna)

The above mentioned documents contain detailed system and equipment description that the Applicant considers as proprietary information in the operation of the equipment. The public disclosure of above documents would be harmful to the Applicant and provide Applicant's competitors with an unfair advantage in the market.

The Applicant understands that measurement test reports, FCC ID label formats, and correspondence during the certification review process cannot be granted confidential treatment and that such information will be available for public review once the grant of equipment authorization is issued.
