SUBJECT: CIIPC Declaration for FCC ID: **B32MX925INTCTL**

We, **VeriFone Inc**, hereby declare that we are only and fully responsible for this CIIPC application of FCC ID: **B32MX925INTCTL**, originally granted on **Feb.05, 2013**. Now we would like to add a new I/O Module, Model Name: MX900-01. The major difference to the original I/O module (MX900-03) is minor layout change with different I/O ports (With AUD, BERG NO TAILGATE).

Except for the changes mentioned above, no other modification is performed. Also, the change does not have any impact on the approved radio parameter such as power, frequency range, modulation etc.

Should you have any question, please contact me directly.

Sincerely,
