

March 24, 2024

Dear Sir or Madam,

Due to customer demand for the use of VX1 (1000W rated power) transmitters with LPFM Effective Radiated Power limit, Nautel Maine Inc. is submitting B3W-VX1 application under FCC Part 74. Nautel Maine Inc. ("the applicant") certifies that the VX1 transmitter, previously tested under FCC Part 73 subpart-B by H.B. Compliance Solutions (HBCS Report # EMC_20038_2), is electrically identical in RF circuitry to the current VX1 model being shipped.

If you have any questions, please contact us.

Sincerely,

A handwritten signature in blue ink that reads "Kevin Rodgers".

Kevin Rodgers
President and CEO
Nautel Maine Inc.
