Re: Request for confidentiality

Applicant: UTC Fire and Security

IC: 1175C-GJDMOTION

To whom it may concern,

Request is hereby submitted by UTC Fire and Security to withhold permanently from public review certain portions of this application for equipment certification. This request for confidentiality is made pursuant to the Canadian *Access to Information Act*. In particular, the following sections of the application are to be kept permanently confidential:

[Select one or more of items below, as appropriate]

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts list

Rationale for request for confidentiality:

UTC Fire and Security has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

Rick Conner
