Dear Mr. Corey Cahill:

The Federal Aviation Administration, Spectrum Engineering Services Group received the Becker Avionics GmbH notification letter of its filing with the Federal Communications Commission (FCC). The application is for certification of the NAV/COM Transceiver NCT6500 with FCC ID: BE54NCT6500.

We have completed the review process of the information submitted by Becker Avionics GmbH and concluded that we have no objection to the FCC granting certification for this equipment.

If you require any additional information, please contact Mr. Jae Shin, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-7365 or via e-mail [jae.w.shin@faa.gov](mailto:jae.w.shin@faa.gov).

Sincerely,

----  
Mark Carmouche  
Group Manager, Spectrum Engineering Services
