Letter of Confidentiality

The test report for application of FCC ID B5D300760 shows a system block diagram on page 28 and a schematic drawing on page 29. The referenced block diagram and schematic diagram contain proprietary design information confidential to Telex. These pages are marked confidential and Telex Communications requests that they be held confidentially pursuant to rule FCC 0.457 and 0.459.

Sincerely,

Greg Wright
Director of Engineering
