Subject: Complementary information for a Class II Permissive change of FCC ID: B5KCKRC1311005-1

Gentlemen;

Ericsson AB requests a Grant of Certification (Type Acceptance) for the above-mentioned FCC Identifier.

Ericsson has developed a new cabinet called RBS 2107 where the transceiver with FCC ID B5KCKRC1311005-1 can be used. The new cabinet can be equipped with a maximum of 6 of these transceivers. The transceivers are earlier tested and certified for use in RBS 2106, RBS 2206 and RBS 2207.
The TX radio path in RBS 2107 is the same as in the earlier tested systems.

We further certify that the applicant nor any party to the application is subject to a denial of Federal benefits, that includes FCC benefits, pursuant to section 5301 of the Anti-Drug abuse Act of 1988, 21 U.S.C. Section 862.

Ericsson AB accept by this request the agreement set out in the document "Bilaga SPCR 125 -Avtal om marknadskontroll för radioutrustning certifierad för USA-marknaden"

If additional information is needed, please contact me on the below listed number.

Sincerely,

Per Helmersson
