Label Location Declaration

Date: May 5, 2025

FCC ID: B94-HXHS244

IC: 466C-HXHS244

To Whom It May Concern:

We use the printed sticker to include the product name and model name information on the label, this label can be visible on the surface of product, the end user can identify this product easily, as for the regulatory marking, since we have design considerations about the appearance of product, this information will be marked by laser etching and molding carving on interior of earcup. The earcup cover can be opened without any special tools. This tooling markings also meet the label requirements which its location will be on the product. The end user can identify the marking information by replacing the earcup, it can be easily installed and removed without any special tools.

If you have any question regarding the declaration, please don't hesitate to contact us. Thank you!

Sincerely yours,

A handwritten signature in blue ink that reads 'Vanessa Tsai'. The signature is written over a small, light blue HP logo.
