Federal Communications Commission  
Authorization and Evaluation Division  
1435 Oakland Mills Road  
Columbia, MD 21046

FCC ID: B94HHB19C

Dear Sirs:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47CFR§§0.457, 0.459), we request the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely:

- Schematic Diagram
- Block Diagram
- Parts List
- Tune-up Procedure
- Operational Description

The above mentioned documents contain detailed system and equipment descriptions and thus are considered proprietary information in the operation of the equipment. The public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We request the Commission to grant short-term confidentiality on the following attachments until 180 days after the Grant Date of Equipment Authorizations:

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.
