

Statement

Date: 10/16/08

We, Hewlett-Packard Company, states that our device, FCC ID: B94HHF20C85, has no space to put the label except battery compartment as shown in the attached photo. The label will put under the battery compartment, so the label will be visible to the users as they have to install the battery after purchase.

Sincerely yours,

Masood Abrishamcar
Hardware Compliance Lead
