

CORRESPONDENCE SUMMARY

August 31, 2009

Subject: RE: - HEWLETT-PACKARD COMPANY - FCC ID: B94HHP21C

Dear Sirs, Madams,

The applicant upgraded the device for HW and SW version and the final variant version will be sold in the market.

Those changes had present in the cover letter and there has no difference between the 2 reports. This application only had one device; and the variant reports should be uploaded.

Thanks.
