Ref: FCC Class II Permissive change for FCC ID: **B94HNI46CPT**

Dear Examiner,

This is to request a Class II permissive change for the equipment HP model HSN-I46C under FCC ID: **B94HNI46CPT**, originally granted on **12/17/2021**.

No changes made except for the WWAN TAS implementation. The full PAG review was performed under KDB 733296. The exact same WWAN authorized modules are re-used in this PC with the exact same algorithm and validation methods for time averaging SAR as approved in KDB 4733296.

Sincerely,

By:
